Creativity Without Limits

Innov-is **BP3700** Embroidery Machine

Crafted for individuals whose imagination knows no limits, giving you professional perfection in every stitch.

Brother's **BP3700 Embroidery Machine** produces high-quality designs and embroideries - perfect for exploring the greatest creative possibilities for your business.

01

LARGE EMBROIDERY AREA

360 x 240mm

Enjoy the freedom of creating large projects and designs with the 360 x 240mm embroidery area, which makes stitching multiple designs together in one hooping effortless. High-quality results are ensured thanks to the rubber plates on the sides of the frame securing your fabric in place.

02

MAGNETIC EMBROIDERY FRAME (MF300)

180(w) x 300(h)mm

Make hooping and embroidering fabrics easier by affixing the optional 180(w) x 300(h)mm magnetic frame (MF300) on your machine. *The Magnetic Frame is not included in the box and requires an additional purchase.*

Creativity Without Limits

03

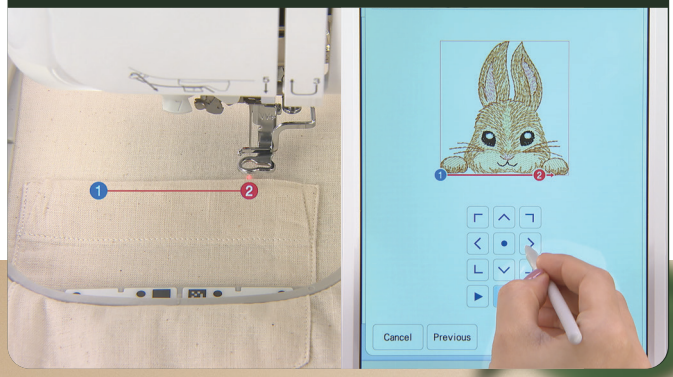

MY STITCH MONITOR

Easily monitor and receive updates about the progress of your embroidery by wirelessly connecting your smart device to your machine using the My Stitch Monitor application. View information such as thread colours and thread brands of the embroidery with ease.

04

2-POINT POSITIONING

Experience easy and precise stitching on your embroidery designs through Brother's industry unique 2-point positioning laser technology that offers an indicator on where your machine's needle will drop on your fabrics by lighting them up.

05

FAST EMBROIDERY SPEED

Up to 1,050spm

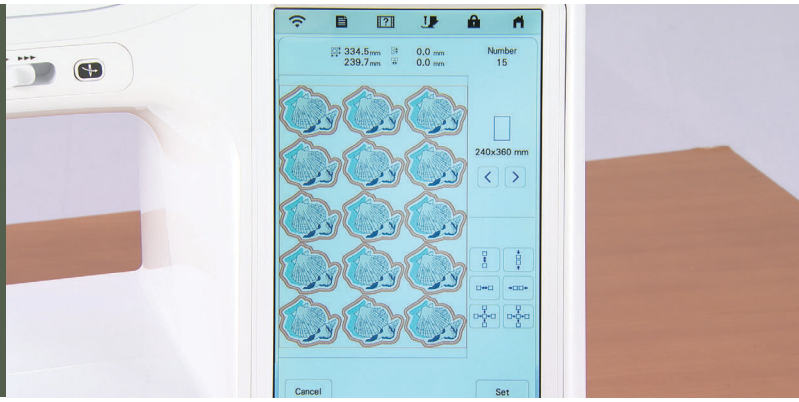

Complete your designs swiftly through the machine's quick embroidery speed, saving you time while providing professional results.

Create Larger Possibilities

06 MATRIX COPY

Place multiple copies of the same design on your screen easily and swiftly with a single button tap using the Matrix Copy feature.

07 IN-THE-HOOP PATTERNS

Enjoy creating projects all within the interior of the embroidery frame using In-The-Hoop patterns.

08 COUCHING EMBROIDERY

Stitch couching patterns onto a variety of products with ease using the machine's couching embroidery foot set. Typesets and designs built into the BP3700 allow for greater expressions of your creativity with your designs.

Various Embroidery Patterns

The BP3700's built-in library of embroidery patterns lets you create a large variety of products immediately after purchase without the need to buy anything additional.
